Hello dear colleagues. Just think, for the next couple of years, Hallowe'en will fall on the weekend..... I hope you survive the season of Fun-Size Candy successfully.

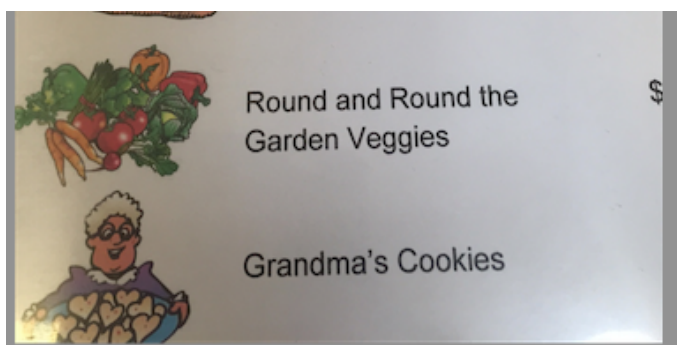

I have a few things for you this week, but I am also aware you might not appreciate my... verbosity... this week. So! A few pictures just to update you on my days, and I am attaching a lengthy document which is all about PDFs. If this isn't an issue you are eager to read about, I won't be offended if you don't. If you've ever been frustrated trying to move a document between platforms, or want to know how to make a scanned file editable, than this issue is dedicated to you.

But first the pictures:

- |  |  |  |  |
|--|--|--|--|
| 1) A make-shift desk I put together one day in Glen's office because we needed to have a conference call.<br>Chaos is constant right now!  |  |  |  |
| 2) and 3) Did you know there are some stunning Art Lithographs and prints just hanging out in the DRC?<br>I pulled these two because I thought they could inspire some neat Digital Art. Anyone? |  |  |  |
| 4) The sweet little menu from the "Cafe" at Wendy's House. I attended the open house. A beautiful tribute to a beautiful soul.   |  |  |  |
|  |  |  |  |

Until next time, I remain:

Virtually yours,

Lisa
